

Navigate compliance with ease

Essential steps for vehicle emissions
testing starting January 2025

THE STEPS TO BE COMPLIANT:

1. Register on CTC portal: <https://cleantruckcheck.arb.ca.gov/>
2. Report affected vehicles.
3. Pay annual compliance fee.
4. Prepare for emissions compliance testing. Requirements begin January 2025 and test can be submitted up to 90 days in advance.
 - a. On-Board Diagnostic (OBD) (2013+ diesel engines; 2018+ alt fuel engines)
 - i. Twice per year starting in 2025, increasing to four times per year 10/1/2027
 - b. Non-OBD equipped vehicles (pre-2013 diesel; pre-2018 alt fuel)
 - i. Twice per year starting January 2025
 - c. CA registered Motorhomes and Agricultural Vehicles test once per year beginning January 2025
5. Subscribe to email notifications for program update:
